Dear Mr. Walmsley:

On behalf of the Page County Board of Supervisors, I would like to thank you for your presentation of Fibrowatt to the Board on March 2, 2010. After considerable discussion and consideration among my colleagues on the Board, we feel that the County is not positioned to accept an opportunity from Fibrowatt to locate a facility in Page County.

I want to be clear that Page County is very supportive of business; however, it is always the Board's intention to make the best possible decisions for the citizens of Page County.

Sincerely,

John R. Woodward, Chairman
Page County Board of Supervisors
